Ready, steady Sow!

In English we will be:

- writing instructions on how to plant a seed.
- making a bean plant diary
- listing wild flowers/plants spotted on nature walk
- labelling the parts of a plant
- designing a poster to show what plants need in order to grow
- comparing the similarities & differences of a dandelion
- exploring non-fiction books linked to the topic

In Art we will be:

- designing a front cover background using splatter painting
- creating a petal template inspired by Eric Carle's book,'The Tiny Seed'
- exploring sunflower fork printing
- making leaf print compositions

In Science we will be:

- identifying and naming a variety of plants
- identifying and describing the basic structure of plants
- investigating the life-cycle of a plant
- observing how seeds and bulbs grow into plants
- finding out and describing what plants need to grow and stay healthy

In Maths we will be:

- learning and using positional and directional language
- investigating Time: o'clock and half past
- learning multiplication and division facts
- exploring fractions: half, quarter and equivalent
- measuring and comparing the heights of the plants grown.

In SMSC/PSHE/RSE we will be:

- understanding that stealing is wrong
- becoming more confident in seeking comfort from appropriate other
- understanding how rules can be useful and helpful to us.
